God has placed an exciting vision in our hearts!

After much prayer and discernment, Open Arms Community has been given a vision to build a place where the Lord can touch the minds and hearts of those in the El Paso Area. We see a need for conference space to support the work of our call to evangelization, of a place where God's people can relax in his presence, and of a facility that can be used by all El Paso's faithful to support each groups ministry and outreach. This place of light, peace, and spirit we will name the Holy Spirit Retreat and Renewal Center.

"Our Loaves and Fishes"

We must start somewhere; Open Arms has stepped out in faith and has already dedicated land for the construction of the Holy Spirit Retreat and Renewal Center. With the support of many dedicated donors, the designs and permits are being submitted. We trust the Lord will continue to multiply our loaves and fishes to start construction soon.

The Vision is Evolving

Below is a picture of our vision for the Holy Spirit Retreat and Renewal Center. The current plans call for overnight facilities for retreats, a large Conference Hall, Kitchen & Dining Hall, and Chapel. As the vision develops it will address the needs of our ministry to the poor, evangelization, and prayer meetings. We will partner with other El Paso groups to help expand their ministries as well. The grounds will create places for prayer and reflection in this corner of the peaceful Mission Valley. The Vision is not fixed! Pray that the Holy Spirit will continue to guide us and will reveal this vision to others as well.
