

Prayer Request

By Phone: Do you have a prayer request? Then please call the Open Arms Prayer Line at 915-595-0119 or 877-629-0201. We have a group of dedicated people who will be notified and will pray for your request. If the phone is on answering machine, please leave a brief message with the name of person needing prayer (first names only) and the need. Messages are directed to the prayer ministry daily. If you would like to volunteer to pray for others, you can also call the prayer line to ask for information on how to join this ministry.

When your prayer is answered, please let us know so we can thank and praise the Lord with you.

By Message: You can also request prayer by filling out the form below. Click "Submit" and the request will go to the prayer team. Our prayer ministry members take their spiritual responsibility and confidentiality very seriously.

In Person: One of the best ways to receive prayer and support is by coming to one of our weekly prayer meetings in either English or Spanish. Prayer for healing and forgiveness is a major part of these meetings. The prayer meetings allow us to praise the Lord, to be open to his Word to guide our lives, and to petition God for his mercy and forgiveness. If you have never been to a Prayer Meeting before, just stop by and see what God is doing in our community. When you arrive, just let someone know you are new and, if you ask, they will sit next to you if you have questions. Everyone is welcomed with "Open Arms".

Weekly Prayer Meetings: Spanish: Mondays at 7:00 PM
English: Tuesdays at 7:30 PM
